

Teacher Professional Development Workshops

Who will benefit?

Kindergarten to Grade 12 Educators (and your students!)

What are the details?

Bring your Dance and Physical Education programs to life with dances that develop physical literacy and fundamental movement skills! Forget 5-6-7-8 or intimidating routines and learn simple moves from a variety of music styles - Hip Hop, Urban, Ballroom, Bollywood, Jazz/Funk and sports themes. Discover a new instructional style that fosters acceptance and diversity by building self-confidence, maximizing participation and promoting interACTIVE learning. DANCEPL3Y curriculum-based school programs have received international accolades for their positive impact on school climate, mental health and self-esteem as students learn and live the 3 Rules of PL3Y: Be Positive. Be Fun. Be Yourself.

What are the practical take-aways?

In our Professional Development Workshops, educators learn plug and play tips and tools to keep your students active with dance. You will walk away with videos and choreography notes for your DPA, Dance and Physical Education programs!

Educators, get ready to claim your Bubble of Awesome as you learn simple moves from a mix of dance styles to bring to your students!
