In team sports where standings are used to determine play-offs, the win/loss achieved against teams that drop out will be taken away (not added) to teams that are still yet to play them.

Play-offs will be determined at the Convener's Individual Sport Body Meeting.

18. PLAY-OFF FORMAT FOR ZONE 3 AND 4 GIRLS' SOCCER (NRHSAA/NCAA)

If one association has one team only then the NCAA champion plays the NRHSAA champion for zone championship. Winner goes to SOSSA. If a second entry to SOSSA exists, then the second place finisher in the zone champions association may challenge the runner up in the zone final for the second entry into SOSSA. If a challenge game takes place then the runner up in the zone final will host the challenge game.

When both associations (NRHSAA and NCAA) each have two or more teams in a classification, then the zone play downs would feature the top two teams on each side qualify for the playoffs. There would be a crossover 1st from one association playing 2nd from the other association and vice versa in the semi-finals, and the two winners would then play in the zone finals. If the zone has two entries to SOSSA, both the winner and runner up in the zone final would qualify for SOSSA (there would not be a challenge game). In the semi- finals, the 1st place team from each association will host the game. In the finals, the result of the “flip” and “rotation” will host the game. One caveat to this is if both finalists are from the same association, and the rotation has the finals being hosted by the other association. In that case, the final will be hosted by the association to which both finalists belong.

19. TIE BREAKING PROCEDURES

These procedures shall be used when determining a play-off position when a league schedule leads to play-offs:

- (1) Record between tied teams;
- (2) Record against teams higher in the standings (1 above, then 2 above, etc.);
- (3) Record against teams lower in the standings (1 below, then 2 below, etc.);
- (4) Sport specific rules
- (5) (a) Coin flip to determine play-off position only. The conveners will perform the coin flip. The school that is alphabetically highest will have heads in the coin flip. The convener will notify schools of the results.
 - (b) Play-off on a neutral field/court or a coin toss for home field if both coaches agree, if it is to determine the final playoff position.
 - (c) In the event of a four way tie, the conveners in consultation with the NRHSAA Executive and the schools involved will determine a tie-breaking procedure.

20. METHOD OF BREAKING TIES IN PLAY-OFF GAMES

If at the end of regulation time, the score is tied, the tie will be broken by:

- A. Playing two overtime halves of ten (10) minutes each. (As of October 2013)
- B. If the score is still tied, penalty kicks taken alternately as prescribed in the F.I.F.A. Laws.

21. ZONE QUALIFICATION TO SOSSA

1 champion from each Zone will go to SOSSA. The championship will be held in the spring at least one week prior to the OFSAA. Check www.ofsaa.on.ca for that date.
