- (2) Should a team forfeit a game, the forfeiting team will be given a loss as a result of the forfeit.
- (3) Should a team forfeit two (2) games during regular season play, the team shall be removed from the league and all points earned in games played against that team shall be removed from league standings.
- (4) A team that forfeits a game during the regular season loses all rights with regards to tie breaking procedures. (ie if the team is tied for 3rd, the team will be relegated to 4th place).
- (5) A team that forfeits a playoff game shall also forfeit the right to play any further playoff games at the current or subsequent level of playoffs (ie when two teams qualify for SOSSA). (April 2016)

12. LEAGUE FORMAT FOR NCAA BOYS' BASKETBALL

All sport schedules shall have NO more than 12 league games in a season.

In team sports where standings are used to determine play-offs, the win/loss achieved against teams that drop out will be taken away (not added) to teams that are still yet to play them.

13. LEAGUE PLAY-OFF FORMAT FOR NCAA BOYS' BASKETBALL

Play-offs will be determined at the Conveners Individual Sport Body Meeting.

All schools participating are to send a representative to the Conveners Individual Sport Body Meeting otherwise forfeit all **rights for input in** the league and play-off format.

14. PLAY-OFF FORMAT FOR ZONE 3 AND 4 BOYS' BASKETBALL (NRHSAA/NCAA)

If one association has one team only then the NCAA champion plays the NRHSAA champion for zone championship. Winner goes to SOSSA. If a second entry to SOSSA exists, then the second place finisher in the zone champions association may challenge the runner up in the zone final for the second entry into SOSSA. If a challenge game takes place then the runner up in the zone final will host the challenge game.

When both associations (NRHSAA and NCAA) each have two or more teams in a classification, then the zone play downs would feature the top two teams on each side qualify for the playoffs. There would be a crossover 1st from one association playing 2nd from the other association and vice versa in the semi-finals, and the two winners would then play in the zone finals. If the zone has two entries to SOSSA, both the winner and runner up in the zone final would qualify for SOSSA (there would not be a challenge 4 game). In the semi- finals, the 1st place team from each association will host the game. In the finals, the result of the "flip" and "rotation" will host the game. One caveat to this is if both finalists are from the same association, and the rotation has the finals being hosted by the other association. In that case, the final will be hosted by the association to which both finalists belong.

15. TIE BREAKING PROCEDURES

These procedures shall be used when determining a play-off position when a league schedule leads to play-offs:

- (1) Record between tied teams; INCLUDING PLAY OFFS
- (2) Record against teams higher in the standings (1 above, then 2 above, etc.);
- (3) Record against teams lower in the standings (1 below, then 2 below, etc.);
- (4) (a) Coin flip to determine play-off position only. The conveners will perform the coin flip. The school that is alphabetically highest will have heads in the coin flip. The convener will notify schools of the results.
- (b) Play-off on a neutral field/court or a coin toss for home field if both coaches agree, if it is to determine the final playoff position.
- (c) In the event of a four way tie, the conveners in consultation with the NCAA Executive and the schools involved will determine a tie-breaking procedure.

16. ZONE QUALIFICATION TO SOSSA 1 champion from each Zone will go to SOSSA.
